

You are always on the go. So is Mobile Banking.

FAST FREE EASY TO USE

App: CentralBankFL

"I paid my bills at the gym."

Make bill payments anywhere with mobile banking.

- View all upcoming bills
- See bill details and history with just a touch
- Get helpful notifications so you never miss a payment
- Pay a Bill or Send money to a person
- Customize payment details:
 - * account you want to pay from
 - * amount of the payment
 - * If scheduled before 3 PM, processed same day.
- Get real time confirmation that your payment is scheduled

Note: You can not set up a NEW payee on your mobile device. New Payees must be set up on a PC.

"I checked my account balance at the mall."

Check on your cash flow and account balances in real time with mobile banking.

- View your available cash, upcoming bills and scheduled payments from the app dashboard.
- Add savings, checking, money market and CDs for a consolidated view of your accounts at Central Banks.
- View a complete list of account transactions.

I transferred money at the park."

Securely transfer funds anytime, anywhere with mobile banking.

- Make transfers with mobile banking that are just as fast and secure as online banking.
- Move money where you need it when you need it!

Enroll At the Bank's Website

Note for Cash Management users: User must have full or partial administrative rights to enroll in Mobile Banking.

Step 1: Log in to NetTeller.

Step 2: Select *Options > Mobile Settings > Web Mobile Banking*.

Step 3: Complete the fields and click **Submit**.

- Choose whether to receive enrollment, transfer, and payment confirmations via text message.
- If **No** is selected for Receive Text Message Alerts, a text message for confirmation of enrollment, transfers, bill payments, ACH initiation, or wire transfers will not be sent.
- Enter mobile device number.
- Select the wireless provider for the phone number. If you are unsure who your service provider is:
 - ⇒ Call customer service number for your device and ask.
 - ⇒ Send a text message from your phone to your email and view the "From" field on that email.
- Select accounts to access via Confirm Mobile Web. At initial enrollment, the first account is checked

Step 4: Review enrollment information.

Check **I accept these full terms and conditions**.

Click **Confirm**.

Step 5: A confirmation message displays. If text alerts have been chosen in the previous step, you receive a confirmation text message that includes the URL to access Mobile Web.

 The Mobile Banking app is only available for iPhone, iPad (iOS 6 and newer), and Android devices.

Enroll On your Mobile Device

- You may be able to enroll for mobile banking through your mobile device, if:
- You have previously logged in to the traditional NetTeller website successfully.
- You have a NetTeller ID in an **Active** status.
- You are not in the middle of a password reset.
- You are not being required to agree to a revised Online Agreement.
- You are not being recollected for multi-factor authentication.

Step 1: Go to mobile banking site or open App.

- Log in with your NetTeller ID and Password.

Step 2: Accept terms and conditions

- Click box next to **I Agree**.
- Click **Continue**.

Step 3: Complete the fields and click **Enroll Now**.

- Choose whether to receive enrollment, transfer, and payment confirmations via text message.
- Enter mobile device number for text confirmations.
- Select the wireless provider for the phone number.

Note: All accounts set up in Internet Banking are enrolled. Log in to our website to deselect accounts, make changes to your enrollment text preferences or disconnect the service. Text alerts must be setup in traditional NetTeller for iPad.

Step 4: After a successful enrollment, you are directed to the Menu or Accounts screen.

An error message will appear, if enrollment was not successful.
